By registering I agree to adhere to the terms of the **BVDFree England Scheme**:

- To actively engage in BVD control in order to eliminate the disease from my herd.
- To report all BVD testing results from my herd to the national database. (There is a small charge of 25p for Tag and test results and 50p for blood test results, for more information see <https://bvdfree.org.uk/charges/>)
- To allow herd status and/or individual animal BVD statuses to be openly accessible through the BVDFree database by searching CPH or UK number.
- Not to move Persistently Infected (PI) animals other than directly to slaughter (or through a dedicated red slaughter market).

I agree all my BVD test results from two years prior to registration and results of all future BVD samples can be uploaded to the BVDFree database, and will be openly accessible through portals approved by BVDFree. I agree samples may be retained for future testing and surveillance*	<input type="checkbox"/>
I agree that BVDFree England may have access to such Cattle Tracing System (CTS) data as required for running the BVDFree England Scheme*	<input type="checkbox"/>

BVDFree Privacy Statement

We take the privacy and security of your personal data very seriously. Our purpose for collecting the information required on this registration form is to enable BVDFree to fulfil our functions as the national Bovine Viral Diarrhoea (BVD) eradication scheme. We will use your personal information for purposes relating to disease prevention and control, to alert your veterinary practice that you have registered, to send you a database login to allow you to view your BVD test results, to alert the designated laboratories that your holding is registered with the scheme to enable your BVD test results to be uploaded to bvdfree.org.uk, to contact you with the latest knowledge transfer information and to inform you of new services and events provided by BVDFree. We will never sell your data to third parties. For information on your data rights and for further detail on how we use and protect your data, please read our privacy notice at bvdfree.org.uk/privacy-notice
